CONSENT FORM

Jon,

The information below has instructions on what needs to be done for clearances so you can have access to the site during the tours (i.e., the attachment needs to be sent to Paul Carter of the Harris Nuclear Plant Security). This should be done as soon as you can but probably no later than July 3rd.

I will let Paul Snead of Progress Energy know you are planning on attending and do let me know if you have any questions or need any clarification.

Thanks,
Don

<<HNP VISITORS-OCA CONSENT FORM2.pdf>> Tara,

Per conversation earlier, attached is the Harris Visitor Owner Controlled Area Consent Form that we will need to process in advance of the Environmental Audit starting on July 14th for non-NRC employees visiting the site. You can have your staff FAX the completed form to 919 362-2135, Attn: Paul Carter, HNP Security.

It would be helpful for us to have a list of who will be sending this form to security so that we can make sure the forms are received.

Please send me a list of who will be submitting such forms.

Thanks,

Paul Snead
