

References provided by DOE for Final Supplemental Environmental Impact Statement for a Geologic Repository for the Disposal of Spent Nuclear Fuel and High-Level Radioactive Waste at Yucca Mountain, Nye County, Nevada

Reference disks have been provided to NRC's Public Document Room (call or 800-397-4209 or 301-415-4737 or see <http://www.nrc.gov/reading-rm/pdr.html>) and the File Center. The document listing below but does not contain the hyperlinks that are provided in the lists on the disks.

References for the Final Supplemental Yucca Mountain Repository EIS.

NOTE TO USER: Some references are not hyperlinked. This is for one or more of the following reasons, indicated with a code number following the citation:

- They are copyrighted.
- They are software files or data not in downloadable file formats, needing specialized software to view.
- They are sensitive, privileged, or Official Use Only.

If you need access to these references, or other assistance, please note the reference number and call toll-free 1-800-225-6972. In addition, some references are extremely large files and will take a substantial amount of time to download.
