Dear Dr. Sargentini:

It has come to our attention that Amendment No 17 to NRC License No. 24-17210-01 contained an error. One page of your NRC license stated amendment No. 16 rather than 17. This is now corrected.

We apologize for any inconvenience this may have caused you.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in cursive script, appearing to read "James R. Mullauer".
