Subject: Telcon Summary - Telcon with Vogtle 10/14/2008

On October 14, 2008, NRC staff (Tanya Simms, William Roggenbrodt, Deanna Zhang, and Terry Jackson) participated in a telephone conference call with Vogtle representatives and observers (see below) regarding the staff's detailed review of the Vogtle Units 3 and 4 COL application. The purpose of the call was to discuss requests for additional information (RAI) #1444.

The discussion focused on the applicant's request for clarification of use of met tower from review in FSAR chapter 7, Section 7.5.

At the conclusion of the call, staff informed Vogtle that RAI 1444 would be issued by the staff in final.
