Re: *Lionville Laboratory, Inc., PADEP License Number 37-19378-01;
Financial Assurance Instruments*

Dear Mr. Dixon:

I have received the original Letter of Credit, dated August 15, 2008 and issued by Wells Fargo Bank, N.A., which was submitted by you on behalf of Lionville Laboratory, Inc. (Pennsylvania Department of Environmental Protection Radiation Materials License Number 37-19378-01). I have reviewed the financial assurance documents submitted; the Letter of Credit is acceptable and the financial assurance for Lionville Laboratory, Inc. is approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments Lionville Laboratory, Inc. currently has on file with the NRC should be cancelled and returned to the licensee as soon as possible.

Thank you for your attention to this matter.

Very truly yours,

Richard S. Morrison
Assistant Counsel
