Re: *Franklin & Marshall College, PADEP License Number 37-11185-04;
Financial Assurance Instruments*

Dear Ms. Fritz:

I have received the original Trust Agreement, dated June 10, 2008, and the Certification of Financial Assurance, which were submitted on behalf of Franklin & Marshall College (Pennsylvania Department of Environmental Protection Radiation Materials License Number 37-11185-04). I have reviewed the financial assurance documents submitted; the Certification of Financial Assurance and Trust Agreement are acceptable and the financial assurance for Franklin & Marshall College (F&M) is approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments F&M currently has on file with the NRC should be cancelled and returned to you as soon as possible.

Thank you for your attention to this matter.

Very truly yours,

Richard S. Morrison
Assistant Counsel
