Subject: RAI, Address Incorrect

(NOTE: This will be used as the
Documents Title in ADAMS)

I left a voice message with Mr. Lairmore stating that the amendment request dated September 19, 2008 was inaccurate as it has the wrong address on the letter and diagram. I also stated that this had happened before and that he needed to send in the diagram with the correct address. I received a call from the licensee at 1:03 PM that apologized for the letter and said they would send a corrected version.

Action Required: Licensee will send in correct diagram with proper address.
