George,

The response to RAI #104 (dated June 12, 2008, Unistar letter UN#08-018) contained printouts of tables of inputs for the GASPAR-II and LADTAP codes. PNNL requested that the inputs be provided in an electronic form suitable for input to a computer. The inputs will be used to check the results presented by Unistar.

Please provide the inputs in electronic form.

Thanks,
