Re: *Wyeth Pharmaceuticals, Inc., License Number 37-00401-03;*  
*Financial Assurance Instruments*

Dear Mr. Brooks:

I received the original Surety Bond in the amount of \$1,125,000.00 issued by Federal Insurance Company for Wyeth Pharmaceuticals, Inc. (Wyeth), dated March 11, 2008, which was submitted on behalf of Wyeth (Pennsylvania Department of Environmental Protection Radiation Materials Licensee Number 37-00401-03). I have also received the originals of a replacement Standby Trust Agreement, dated June 27, 2008, and a Certification of Financial Assurance. I have reviewed all the financial assurance documents submitted; the Certification, the Surety Bond, and the Standby Trust Agreement for Wyeth are acceptable and the financial assurance for Wyeth is approved at this time. By copy of this letter, I am notifying the Nuclear Regulatory Commission (NRC) that the financial assurance instruments Wyeth currently has on file with the NRC should be cancelled and returned to you as soon as possible.

Thank you for your prompt attention to this matter.

Sincerely,

  
Richard S. Morrison  
Assistant Counsel
