IN 86-21, Supplement 1

UNITED STATES
NUCLEAR REGULATORY COMMISSION
OFFICE OF INSPECTION AND ENFORCEMENT
WASHINGTON, DC 20555

December 4, 1986

IE INFORMATION NOTICE NO. 86-21, Supplement 1: RECOGNITION OF AMERICAN
SOCIETY OF MECHANICAL
ENGINEERS ACCREDITATION
PROGRAM FOR N STAMP HOLDERS

Addressees:

All nuclear power facilities holding an operating licensee or a construction permit.

Purpose:

This notice is provided to licensees and construction permit holders to clarify the information provided by IN 86-21 on the NRC's recognition of the American Society of Mechanical Engineers (ASME) Accreditation Program for holders of N, NA, NPT, and NV stamps and Certificates of Authorization. It is expected that recipients will review the information for applicability to their facilities. However, suggestions contained in this information notice do not constitute NRC requirements; therefore, no specific action or written response is required.

Discussion:

IN 86-21 informed licensees that the NRC recognized the ASME Accreditation Program for N, NA, NPT, and NV stamps and the associated Certificates of Authorization. IN 86-21 also stated that quality system certificates issued to material manufacturers and material suppliers were excluded from this recognition.

The statement concerning quality system certificate holders has been misinterpreted by several licensees resulting in quality system certificate holders being removed from approved vendor lists. This was not the intent of IN 86-21. Quality system certificate holders were excluded from the recognition announced in IN 86-21 because the quality system certificate program was not covered by the exchange of correspondence between ASME, NRC, and the National Board of Boiler and Pressure Vessel Inspectors. If a licensee's NRC approved quality assurance (QA) program allows material manufacturers and material suppliers to be placed on the approved vendor list on the basis of a quality system certificate, then that method of evaluating and selecting vendors is not affected by the issuance of IN 86-21.
