Please review the PUBLIC version of the Calvert Cliffs COLA Revision 3 which is Submission 5 in the UniStar folder in ADAMS. You can use the instructions provided to get the non-public version to find it but review Submission 5 rather than Current Submission.

The SUNSI review should be completed by September 12.

Attached are the chapter assignments. Please email me when you have completed your review and send any issues you have to Bill Reckley and me.

Thank you.

John Rycyna
