**Importance:** High

Hi Tom,

Thanks for sending us the latest set of RAIs.

Attached is a revision to the proposed list of R-COLA RAI responses for which we'd appreciate NRC feedback. I've prioritized them (high, medium, or low), and deleted a few. Also, as we told you earlier, we'd like to discuss the proposed GGNS response to their RAI on PSWS ITAAC.

I'd like to talk with you about scheduling the discussions so that our Subject Matter Experts will be available.

Please let me know if you have any questions.
