Subject: Uranium Recovery GEIS

The draft GEIS is doing is not enough. Please look at the history of these companies and you will see something more specific needs to be done. When Indian Health Service does not have enough staff they "borrow" for headquarters or from the private sector who donate services. Perhaps your agency could network and get help!!! Please, for our greatgrand children and great-great grandchildren!!

Danialle Rose, CS-PIP, QNHP, ICCDC III, ADS-RT

Danialle 

Have a great day!!!
