John Daily, Senior Project Manager  
Nuclear Regulatory Commission  
Kewaunee License Renewal Project

Dear Mr. Daily:

We highly value Kewaunee Power Station as an important part of our community. Former owners, WI Public Service and now Dominion Energy Kewaunee, have been good neighbors of the people of Manitowoc County since the plant began operating. Throughout that time the plant has performed at the highest levels of quality. KPS owners and operating staff have demonstrated an ongoing and sincere concern for the well being of these Northeastern Wisconsin communities as well as the entire State of Wisconsin.

I am pleased to take this opportunity to offer these thoughts in my unequivocal support of their application for license renewal.

Sincerely,

A handwritten signature in black ink that reads "Bob Ziegelbauer". The signature is fluid and cursive, with the first name "Bob" being particularly prominent.
