Dear Mr. Olson:

Enclosed is Amendment No. 09 amending your NRC Materials License No. 21-26282-01 in accordance with your request by fax letter dated July 30, 2008. The change in ownership/control necessitated the licensee name change to Cadillac Castings, Inc., from Hayes/Lemmerz International Cadillac, Inc.

This amendment also modifies License Condition 12. C., regarding leak testing criteria, to reflect our current standard license condition for this activity.

Please review the enclosed document carefully and if there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region III office at (630) 829-9887 so that we can provide appropriate corrections and answers.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). The NRC's document system is accessible from the NRC Web site at <http://www.nrc.gov/reading-rm/adams.html> (the Public Electronic Reading Room).

Sincerely,

A handwritten signature in cursive script that reads "Loren J. Hueter".
