Yes,

Thanks. Dennis informed me of that. I forward the submittal to Jeff.

Steve:

Thanks for SER/OI. For future reference - Jeff Cruz is BC for ESBWR COLAs - Stephanie has AP1000.

Tom

Stephanie:

John Segala and I approve of the attached North Anna, Section 9.2.4 - Potable and Sanitary Water Systems.

One confirmatory item was opened to track update of the FSAR to reflect changes regarding removing composite samplers from the SWDS design and proposing a per batch sewage treatment plant sludge tank grab sampling program.
