Subject: Revision 17 Errata Disks

The purpose of this letter is to provide a set of errata disks of Revision 17 of the DCD. One copy of each included in this letter.

- Sensitive version
- Public version
- Reviewer's Aide (Sensitive only)

These copies were revised to update the road map with changes that were identified between Revision 16 thru Revision 17. These changes have been identified with bars in the right hand margin. There were a couple to typo's in the technical specification that were corrected to identify the correct surveillances.

If you have any questions, please contact Rob Sisk.

Very truly yours,

A handwritten signature in black ink, appearing to read 'R. Sisk' followed by a large flourish and the letters 'FOR'.
