Can you put this in the Neutron Energy docket. It's public. Thx. Ron

Dear Ron,

Thanks for speaking with us today about the NEI Marquez Canyon Project. We're sorry we missed this morning's meeting by phone, but we'll review the meeting summary when it hits the NRC's website.

In the meantime, as promised, attached are (1) a list of documents in the NRC's dockets for the Bokum uranium mill at the same Marquez site, and (2) a pdf of NMMMD's request for additional information and NEI's responses to public comments on the NEI exploration plan. Other documents associated with NEI's Marquez Canyon exploration program may be accessed on the NMMMD web site, <http://www.emnrd.state.nm.us/mmd/MARP/MARPNewPermitApplicationsandCloseoutPlans.htm>.

best,

Chris Shuey
