Mr. Hammann -

I am in the final stages of finalizing our response.

Also, as part of our site policy I will need to have the document reviewed prior to sending it to you.

It will probably be ready to be sent out next week sometime.

I appreciate you checking in on things.

Thanks,

Brian

Brian,

I just wanted to check in with you to see how things are progressing with your attempt to determine the history of materials use at your facility.
