Dear Ms. Doane:

AREVA NP Inc. applied for an export license on October 23, 2008 (DLN:08:068) to authorize the shipment of enriched uranium to Advanced Nuclear Fuels GmbH in Germany for fabrication into fuel to be exported to the Koeberg reactor in South Africa. We indicated in block 11 of the Form 7 application that we would be shipping Russian, Canadian or Australian, Enriched in Russia, the U.S. or Euratom Community. Please remove the "Russian, Canadian or Australian, Enriched in Russia, the U.S. or Euratom Community" obligated material notation from block 11 of our Form 7 request and replace with "Euratom Community".

If you have any questions, please contact me at (509) 375-8380.

Very truly yours,
