### Population Estimates

#### Total Population Estimates for Virginia Counties & Cities

2006 Final and 2007 Provisional (released January 28, 2008)

- [Press Release including text, charts and maps](#)
- [Press Release Print Version \(pdf\)](#)
- [Data table in Excel](#)
- [Methodology](#)
- [Population Estimates for Previous Years](#)

#### Age & Sex Estimates for Virginia's Counties & Cities

- [2007 Population by Age and Sex, July, 1, 2007](#) (Excel file)
- [2007 Median Age by Locality](#) (Excel file)
- [2006 Population by Age and Sex, July 1, 2006](#) (Excel file)
- [2005 Population by Age and Sex, July 1, 2005](#) (Excel file)
- [Methodology](#)

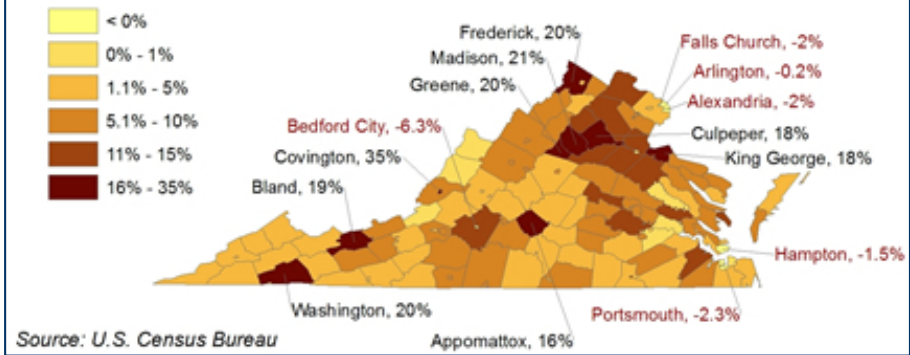

In order to better serve the data users, we expanded our population estimates by developing the age and sex estimates starting 2005. For estimates prior to 2005, please check the Census Bureau's [estimates web page](#). Please note that their age and sex total for each locality was summed to the Bureau's county estimate.

#### Race and Hispanic Estimates for Virginia's Counties & Cities

(produced by the [U.S. Census Bureau](#), vintage July 1, 2007)

- [2007 Estimates by Race](#) (Excel file) *New*
- [2006 Estimates by Race](#) (Excel file) *Updated*
- [2005 Estimates by Race](#) (Excel file) *Updated*
- [2007 Estimates by Hispanic Origin](#) (Excel file) *New*
- [2006 Estimates by Hispanic Origin](#) (Excel file) *Updated*
- [2005 Estimates by Hispanic Origin](#) (Excel file) *Updated*

### Percent Change in Hispanic Population from July 1, 2006 to July 1, 2007

### Town Population Estimates

(produced by the [U.S. Census Bureau](#))

- [Annual Estimates 2000-2006](#) (Excel file)
- [Annual Estimates 1990-1999](#) (Excel file)

### Population Projections

- National and state projections are produced and distributed by the [U.S. Census Bureau](#)
- State and local projections are produced by the Virginia Employment Commission and distributed through the [Virginia Workforce Connection](#) website (Click on Labor Market Information. On the next page, click "Demographics" under "Labor Market Analysis" in the left hand column.)
