Washington, D.C. 20545

Dear Mr. Harmon:

This is to advise you that approximately 435 short tons of uranium concentrates, of South African origin, will be imported on or about September 25, 1971, aboard the ship "African Comet", at Baltimore. This report is made as required by SUI-950.

If there is any additional information that we can provide, please let us hear from you. The shipment is for delivery to the General Electric Company, at Metropolis.

Very truly yours,

A handwritten signature in cursive script, appearing to read "T. P. Mohide".
