

November 20, 2008

Dr. Sean O'Kelly, Associate Director
Nuclear Engineering Teaching Laboratory
University of Texas
J.J. Pickle Research Campus
10100 Burnet Road, Building No. 159
Austin, Texas 78758MAB

SUBJECT: EXTENSION OF THE RAI RESPONSE PERIOD FROM NOVEMBER 18, 2009
TO JANUARY 29, 2009 (TAC L32659)

Dear Dr. O'Kelly:

In your letter dated November 18, 2008, you requested an extension of the period for responding to our requests for additional information (RAI) sent in a letter dated October 17, 2008. The RAIs resulted from our review of your 2007 application to renew the university's special nuclear material license SNM-180.

You had informed me that the November 18, 2008 due date could not be met; also, you indicated that you would be asking for an extension.

This letter grants the extension you requested in the subject letter. I expect a response to our October 17, 2008 RAIs by Thursday, January 29, 2009.

Sincerely,

/RA/

Christopher Ryder, Project Manager
Fuel Manufacturing Branch
Division of Fuel Cycle Safety
and Safeguards
Office of Nuclear Material Safety
and Safeguards

Docket No.: 70-157
License No.: SNM-180
