Donnie,

I plan to finish it by the end of this week.

John and Alexander-

Any word on when you guys will complete the evaluation?

I have a very short turn around now and am being pressed to create a supplement to the Oyster Creek SER.

I finished auditing their calcs last Thursday. I will start working on it late today or tomorrow.

Alex,

B/29

Just a quick note to see how last week went.

Hopefully you were able to review the necessary documents.

Are you and John working on the results?
