NUCLEAR REGULATORY COMMISSION**

BEFORE THE COMMISSION

**DECLARATION OF ROBERT BOXWELL IN SUPPORT OF PUBLIC CITIZEN
PETITION TO INTERVENE IN DOCKET 52-016**

Under penalty of perjury, I, Robert Boxwell, declare as follows:

1. I am a member in good standing of Public Citizen. I reside at 11785 Clifton Drive Lusby, MD 20657. My residence lies within 7 miles of the proposed site of a new nuclear plant, for which Constellation Generation Group, LLC, and UniStar Nuclear Operating Services, LLC (CGG and UniStar) have submitted a combined construction permit and operating license application ("COLA") to the U.S. Nuclear Regulatory Commission ("NRC" or "Commission").
2. I am concerned that if the NRC grants CGG and UniStar's COLA, the construction and operation of the proposed nuclear power plant could adversely affect my health and safety and the integrity of the environment where I live. I am particularly concerned about the risk of accidental releases of radioactive material to the environment, and the potential harm to groundwater supplies and local surface waters.
3. In order to ensure that the licensing decision for the proposed Calvert Cliffs-3 nuclear power plant protects my interests in a safe and healthful environment, I have authorized Public Citizen to represent me in any licensing proceeding and/or related rulemaking proceeding that concerns the safety and environmental impacts of the proposed nuclear power plant in Calvert County, Maryland. I have also authorized Public Citizen to take any legal actions that are necessary to ensure that the licensing proceeding and the rulemaking proceeding are conducted fairly, efficiently, and in a manner that provides for the full consideration of all licensing issues that could affect my safety and the health of my environment.

I declare under penalty of perjury that the foregoing facts are true and correct and that any expressions of opinion are based on my best judgment.
