NUCLEAR REGULATORY COMMISSION

BEFORE THE COMMISSION

DECLARATION OF KEVIN KAMPS IN SUPPORT OF BEYOND NUCLEAR
PETITION TO INTERVENE IN DOCKET 52-016

Under penalty of perjury, I, Kevin Kamps, declare as follows:

1. I am a member in good standing of Beyond Nuclear. I reside at 3206 Shepherd Street, Mount Rainier, Maryland 20712. My residence lies within the 50-mile Emergency Planning radius of a new nuclear plant, for which Constellation Generation Group, LLC, and UniStar Nuclear Operating Services, LLC (CGG and UniStar) have submitted a combined construction permit and operating license application ("COLA") to the U.S. Nuclear Regulatory Commission ("NRC" or "Commission"). I am also employed at Beyond Nuclear located at 6930 Carroll Avenue, Takoma Park, Maryland.
2. I am concerned that if the NRC grants CGG and UniStar's COLA, the construction and operation of the proposed nuclear power plant could adversely affect my health and safety and the integrity of the environment where I live. I am particularly concerned about the risk of accidental releases of radioactive material to the environment, and the potential harm to groundwater supplies and local surface waters.
3. In order to ensure that the licensing decision for the proposed Calvert Cliffs-3 nuclear power plant protects my interests in a safe and healthful environment, I have authorized Beyond Nuclear to represent me in any licensing proceeding and/or related rulemaking proceeding that concerns the safety and environmental impacts of the proposed nuclear power plant in Calvert County, Maryland. I have also authorized Beyond Nuclear to take any legal actions that are necessary to ensure that the licensing proceeding and the rulemaking proceeding are conducted fairly, efficiently, and in a manner that provides for the full consideration of all licensing issues that could affect my safety and the health of my environment.

I declare under penalty of perjury that the foregoing facts are true and correct and that any expressions of opinion are based on my best judgment.
