Army Research Laboratory  
Aberdeen Proving Ground, MD 20115-5066

SUBJECT: DEPARTMENT OF THE ARMY, APPLICATION FOR LICENSING ACTION,  
CONTROL NO. 142408

Dear Ms. Fry:

This refers to your license amendment request. Enclosed with this letter is the amended license. Please note that, in the past, it was our practice to keep decommissioning actions open until decommissioning was completed and the site released. However, at this time, we are closing this action (Control No. 142408) with this amendment. When your decommissioning is completed and you submit the Final Status Survey Report, we will open a new action with a new control number.

Please review the enclosed document carefully and be sure that you understand and fully implement all the conditions incorporated into the amended license. If there are any errors or questions, please notify the U.S. Nuclear Regulatory Commission, Region I Office, Licensing Assistance Team, (610) 337-5239, so that we can provide appropriate corrections and answers.

Current NRC regulations and guidance are included on the NRC's website at [www.nrc.gov](http://www.nrc.gov); select **Nuclear Materials; Medical, Academic, and Industrial Uses of Nuclear Material**; then **Regulations, Guidance, and Communications**. You may also obtain these documents by contacting the Government Printing Office (GPO) toll-free at 1-866-512-1800. The GPO is open from 7:00 a.m. to 6:30 p.m. EST, Monday through Friday (except Federal holidays).

Thank you for your cooperation.

Sincerely,

***Original signed by Elizabeth Ullrich***
