Mark,

Attached, please find a courtesy copy of the Victoria County Station "Me-Too" letter that documents Exelon's applicability evaluation of the North Anna RAI Responses. In addition to the pdf version of the entire submittal, I've also included the Excel file of the RAI matrix to enable you to sort the RAIs at your discretion.

The original signed copy of the letter will be mailed to the Document Control Desk.

Please let me know if you need any further information.

Joe
