OA0 Corporation  
2277 Research Boulevard  
Mailstop 4G ATTN: Joyce L. Lambert  
Rockville, MD 20850

SUBJECT: TASK ORDER NO.25 ENTITLED "OCFO COMEDO", UNDER DELIVERY ORDER  
NO. DR-33-07-358

Dear Ms. Lambert:

In accordance with Section C.27 entitled "Task Order Procedures," of the subject delivery order, this letter hereby definitizes Task Order 25. This effort shall be performed in accordance with the enclosed Statement of Work and OA0 Corporation's cost estimate dated, September 18, 2007, which is made a part hereof of this order.

The following individual(s) are considered to be essential to the successful performance of the work hereunder:

██████████ Project Manager

The Contractor agrees that such personnel shall not be removed from the effort under the task order without compliance with the Key Personnel Clause (2052.215-70) of the delivery order.

Task Order No. 25 shall be in effect from September 26, 2007, through September 25, 2008, with a total cost ceiling of \$14,545.01.

This Task Order No. 25 obligates funds in the amount of \$10,000.00. The obligated amount shall, at no time, exceed the task order cost ceiling. When and if the amount(s) paid and payable to the Contractor hereunder shall equal the obligated amount, the Contractor shall not be obligated to continue performance of the work unless and until the Contracting Officer shall increase the amount obligated with respect to this task order. Any work undertaken by the Contractor in excess of the obligated amount specified above is done so at the Contractor's risk.

Your contacts during the course of this task order are:

**A. Objective**

To provide maintenance and operational support for an Office of the Chief Financial Officer (OCFO) application system as detailed in the SOW section listed below.

**B. Scope**

The Contractor shall perform application systems maintenance for systems listed below in the SOW section, subparagraph, "Maintenance," following guidance provided in the NRC PMM and CMP and utilizing the CM Library as the source for obtaining a current copy of production application systems which require maintenance.

The Contractor shall perform operational support tasks for systems listed below in the SOW section following guidance provided by the NRC TOM. Individual efforts required of the Contractor shall be to provide operational support for agency applications in the form of data support, report generation, and production support, as described in the SOW below.

The Contractor shall also produce necessary documentation of work performed (see section 25.E below).

**C. Statement of Work**

1. Maintenance

The Contractor shall be responsible for making necessary changes to ensure that identified problems with a system/module are corrected and the system is returned to production in the shortest amount of time possible.

**Maintenance Requests:**

The NRC TOM/client shall notify the Contractor of system maintenance requests using the Rational ClearQuest change request system, in accordance with the Delivery Order, Statement Of Work, Section C.3, Subsections 3.1 "Maintenance" and 3.2 "Maintenance Change Request Process." The Contractor shall follow the procedures contained in the "OIS Application Change Request System Guide using Rational ClearQuest" to document all maintenance work performed and completed. The Contractor shall attend, as required, occasional meetings with the NRC TOM at the NRC office to discuss significant maintenance issues.

A new report from the system may also be requested to be generated on an as-needed basis.

a. System To Be Serviced

System Name	System Number	System Acronym	Software	Platform	Allotted Level of Effort

OCFO Commission/ EDO Budget Tracking System	3545	COMEDO	Clipper, Blinker, DbaseIII+, UI	PC/LAN	200 h/y
--	------	--------	--	--------	---------

Note: The existing COMEDO system is in the process of being replatformed to a 32-bit platform using the graphical user interface (GUI) Microsoft Visual Basic front-end and SQL Access database products. This replatforming is expected to be completed before the start of this performance period.

Authorized actions shall be performed by the Contractor within 2 workdays for COMEDO general maintenance and 10 workdays for COMEDO annual database set up, unless a longer time is approved by the NRC TOM.

COMEDO Fiscal Year Maintenance: COMEDO is used to track and report commitments, obligations, and expenses by program support, travel, and change of station. COMEDO allows the user to add, edit, and report by using menu options. COMEDO housekeeping duties include set up of a database that corresponds to the agency's budget and reporting (B&R) structure. The final B&R structure is issued annually before September 30 (generally in the June–August timeframe). Upon issuance, the annual B&R structure will be provided to the Contractor by the NRC TOM. For the annual housekeeping functions, the Contractor shall undertake the following:

- set up the menu to enter and accept all new fiscal year data
- create the new database files using the new fiscal year setup processing written procedures in the COMEDO Users Guide
- modify the COMEDO reports to include the changes in the B&R structure
- meet with the NRC TOM, as needed, to complete caution and installation of the system for the new fiscal year and installation of the backup/restore procedures
- update the comprehensive change control log for this application

The COMEDO fiscal year maintenance described above must be completed (including testing/acceptance by the NRC) and operational no later than September 25 of each year.

**D. Place of Performance**

Most efforts under this delivery order shall be performed at the Contractor site. Access to the NRC facilities shall be provided by the NRC staff, as required.

**E. Schedule of Deliverables**

Maintenance requests shall be performed within the time negotiated with the NRC TOM for each system release.

**F. Expertise/Skills**

Demonstrated experience in application systems software and platforms defined for systems identified in relevant sections of this task order as requiring maintenance support. Competency in technical, written communication and analytical skills, as demonstrated through prior assignments in the technical support area, and experience with applications running on a NOVELL LAN platform.

**G. Task Order Manager**

The manager for this task order is Mary Matheson, (301) 415-8748.
