RE: Reply to a notice of violation  
Inspection report No. 03037454/2007001 (Case No. 1-2008-012)

This is the information requested in response the "Notice of Violation" that we received from you on 11-17-08.

**Violation 1**

1. The violation is accepted as stated.
  - Violation of 10 CFR 35.27(b) and 10 CFR 35.63(d). Failure to follow the instructions of the Authorized User regarding the preparation of byproduct material for medical use.
2. The reason for the violation is attributed to communication between management and Technologist without informing the Authorized User or the RSO in changes in the Radiation Safety Program.
3. Corrective action: Any changes to the Radiation Safety Program will be directly communicated to the RSO (for approval) before any changes are implemented.
4. Date of full compliance was November 26, 2007.

**Violation 2**

1. The violation is accepted as stated.
  - Violation of 10 CFR 35.2063. Failure to record, in the record of dosage determinations, the dosage, date and time of dosage determination.
2. The reason for the violation is attributed to the Technologist without informing the authorized user or the RSO.
3. Corrective action: Management, Authorized User and the RSO must pre-approve any exceptions.
4. Date of full compliance was November 26, 2007.

If you have any questions or need further information, please feel free to contact us.

Sincerely,

Edwin Marshall Medina, MD
