RE: REQUEST TO TRANSFER SEALED SOURCE AND DEVICE CERTIFICATES

Dear Mr. Miller:

This is in reference to your letters dated August 25, 2008, and September 2, 2008, requesting to transfer the Texas registration certificates TX-1153-S-101-S, TX-1153-S-103-S, TX-1153-S-104-S, and TX-1153-S-105-S to the Nuclear Regulatory Commission and amend registration certificate TX-1153-S-101-S. The transfer and amendment have been completed as you have requested. The registration numbers for the transferred certificates are NR-1235-S-104-S, NR-1235-S-105-S, NR-1235-S-106-S, and NR-1235-S-107-S. Please review the registration certificates in its entirety and notify use immediately of any errors or omissions.

Please be advised that you must manufacture and distribute the product in accordance with the statements and representations contained in your application, with enclosures thereto, and the information set out in your registration certificate. As a general rule, you must request and obtain an amendment to the certificate before you make changes or modifications to the information submitted to obtain the certificate. You are also obligated to notify us promptly in writing should you decide to no longer manufacture or offer service support for the product.

If you have any questions, please contact Nima Ashkeboussi at 301-415-7637.

Sincerely,
