Subject: RE: Harris Wetlands Verification visit

Hi Monte,

it looks like December 17th, 18th and 19th will work for everyone's schedule. The verification may be completed on the 18th, but I have scheduled the 19th to ensure we have enough time for you to see all areas. I will give you a call next week to work out details.

If you have any questions please let me know.

Thanks

Scott

Scott,

Tuesday, Dec. 16th is the only day that week that I have a conflict. If we could miss that day I could dedicate the remaining days to the Harris site. Let me know if this would work with you and NRC.

Monte

Subject: Harris Wetlands Verification visit

Hi Monte,

per our phone call yesterday regarding the wetland verification visit, I have checked with our staff and the week of December 15th is my preference for the visit. Of that week, Monday and Tuesday (12/15 and 12/16) are my first preference with Thursday-Friday my second preference. The week of December 1 is a viable alternative as well, any days that week. Please let me know what dates work best for you and I will schedule the staff who performed the field work to be available.

If you have any questions please let me know.

Thanks

Scott
