

**New Hampshire Radiological Health Section**  
**RATSID 2003-1 (Financial Assurance)**

190R Current Condition:

In accordance with He-P 4030.09, the licensee has filed a financial assurance mechanism as described in letter, with attachments dated February 25, 2004 and signed by John D. Aber, Vice President, as determined necessary by the Agency to provide for the protection of the public health and safety. Expiration of a specific license shall not relieve the licensee of responsibility for decommissioning its facility and terminating the specific license.

New Version:

The licensee shall comply with the financial assurance requirements specified in 10 CFR 30.35, 10 CFR 40.36 and 10 CFR 70.25 for the licensed material in Condition 6 and shall maintain the amount of financial assurance for decommissioning by the methods specified in the licensee's letter dated February 25, 2004, and signed by John D. Aber, Vice President. Expiration of a specific license shall not relieve the licensee of responsibility for decommissioning its facility and terminating the specific license.

276R Current Condition:

Tie-down letter dated July 2, 2004

New Version:

The licensee shall comply with the financial assurance requirements specified in 10 CFR 30.35 and 10 CFR 40.36 for the licensed material in Condition 6 and shall maintain the amount of financial assurance for decommissioning by the methods specified in the licensee's letter dated July 2, 2004, and signed by Michael Blayney, Ph.D., Director of Environmental Health and Safety, P. Jack Hoopes, Ph.D., Radiation Safety Committee Chair, and Augustinus Ong, Radiation Safety Officer. Expiration of a specific license shall not relieve the licensee of responsibility for decommissioning its facility and terminating the specific license.
