We are enclosing, as a separate item, an explanation of the changes to our subject plans. We have reviewed these changes and have determined they do not result in a decrease in the commitment to security of the plans.

These enclosures are being sent as Safeguards Information. Please update your copy of the LACBWR Security Plan with the enclosed revised pages, and acknowledge these actions by signing and returning the enclosed receipt.

Please contact either Roger Christians or Martin Moe of my staff, at 608-689-2331, if you have any questions or comments.

Sincerely,

DAIRYLAND POWER COOPERATIVE
