Att: Mr. Lyall Johnson
Chief, Licensing Branch
Division of Civilian Application

Gentlemen:

Subject: Renewal of License No. C-3387
Docket No. 40-680

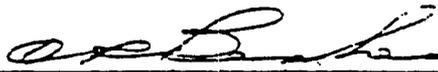

Source Material License No. C-3387, as amended March 28, 1957, expires on November 1, 1957. Renewal of the license in its present form and amount is required.

We have in our possession approximately twenty pounds of source material acquired under this license. Of the fifty pounds uranium metal acquired under this license, all has been shipped to D. E. Makepeace Company for additional development work in accordance with source material license which they hold.

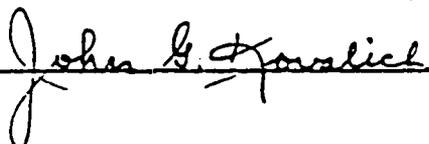

Should you require additional information concerning this request for renewal of License C-3387, we shall be pleased to hear from you.

We hereby swear (or affirm) that the above information is full and true to the best of our knowledge and belief.

C. R. Berghem, Vice-President

Subscribed and duly sworn to before me according to law by the above-named applicant this Twenty-First day of October, 1957, at Newark, County of Essex, and State of New Jersey.
