Subject: License SNM-98

Dear Mr. Nausbaumer:

With regard to termination of work under SNM-98, we wish to advise you that we have made arrangements with Mr. Robert W. Kirkman, Compliance Division, New York, for inspection of our former operating area just as soon as this can be conveniently arranged by him.

The operating equipment has all been removed, cleaned-up, and placed in storage. The operating area has been repainted and new flooring placed. We trust that the Compliance Division will find the area fully meeting the requirements of the AEC for return to normal usage.

We will advise you further upon completion of the inspection by the Compliance Division.

Very truly yours,

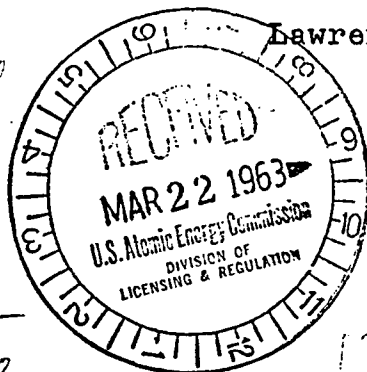

ENGELHARD INDUSTRIES, INC.
