FROM : C. P. McCallum

SUBJECT: ENGELHARD INDUSTRIES, INC. REQUEST FOR AMENDMENT TO SPECIAL
NUCLEAR MATERIAL LICENSE SNM-98, AS AMENDED - DOCKET 70-90

ANALYSIS AND FINDINGS

Reference is made to the memorandum to the files dated July 22, 1958 and the memoranda to the files to which it in turn refers regarding the observations, conclusions and findings resulting from the review of Engelhard Industries, Inc. application for special nuclear material license.

By letter dated May 9, 1958, as supplemented July 8 and August 27, 1958, the applicant has requested that SNM-98, as amended, be further amended to authorize it to increase the capacity of its cold enriched scrap processing facilities.

Based upon our review of the information provided by the applicant, it is hereby determined that the license may be amended to authorize the additional activities.
