Washington 25, D.C.

Gentlemen:

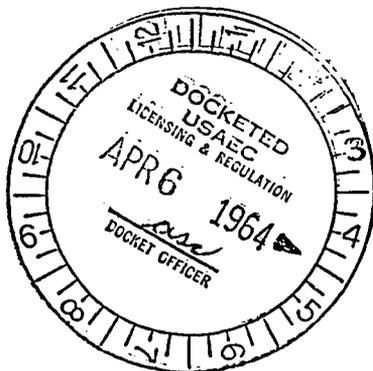

This is to advise you that we have disposed of the washing machine which was the last piece of equipment remaining in our possession of the facilities used while performing certain refining operations under License No. SNM-98.

This having been accomplished back in January, we wish to tell that there is no further need for SNM-98 and ask that it be cancelled.

Very truly yours,

Lawrence C. Burman
