Dear Sir/Madam:

This letter is in response to your request of November 6, 2008 phone call for a notification of our laboratory's upcoming move. Please be advised that CDM Geotechnical Laboratory will be moving on December 12, 2008 from **60 Rogers Street, Cambridge, MA, 02142** to **153 South Street, Somerville MA 02143**. This move does not change the status or address of our license; it only changes the storage location of our Troxler Gauges.

Please change the physical address on your files. Thank you.

Very truly yours,
