Attention: Mr. John F. Thompson, Jr.

Gentlemen:

Reference is made to your letter of May 9, 1960, with which you made known the transfer of part of the business of Engelhard Industries, Inc., a New Jersey corporation, (formerly known as Baker and Co., Inc.) to Engelhard Industries, Inc., a Delaware corporation, and to our letter dated May 11, 1960, with respect to your License No. SNM-98 which explained our position relative to specific assignments.

In order to consider the transferring of Special Nuclear Material License No. SNM-185 to the Delaware corporation, the procedure as outlined in our letter dated May 11, 1960, should be followed.

This information, as requested, will suffice for the transferring of Source Material License No. C-4941.

A copy of your letter of May 9, 1960, has been provided to the Isotopes Branch of this division for necessary action relative to your Byproduct Material License No. 20-5216-1 (E-61).

Very truly yours,
