Gentlemen:

We received your letter of May 27th regarding the requirements for transferring Special Nuclear Material License SNM-185. Since writing that letter you no doubt have received our letter of May 26th in which we supplied the information required by you for transferring of License No. SNM-98.

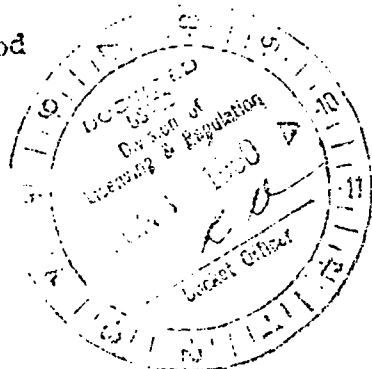

We wonder whether or not the information just given you for the transfer of SNM-98 will also suffice for the transfer of SNM-185 and would appreciate receiving your advices.

Very truly yours,

ENGELHARD INDUSTRIES, INC.
