T. G. McCreless, Jr.SUBJECT: ENGELHARD INDUSTRIES, INC. REQUESTS DATED APRIL 21 AND MAY 9 & 26, 1960 FOR AMENDMENTS TO THEIR SPECIAL NUCLEAR AND SOURCE MATERIAL LICENSES SNM-98, 185 AND C-4941 - DOCKET NOS. 70-90 & 139 AND 40-768

ANALYSIS AND FINDINGS

By letters dated April 21 and May 9, 1960, the applicant made known the transfer of part of the business of Engelhard Industries, Inc., a New Jersey corporation to Engelhard Industries, Inc., a Delaware corporation as of March 31, 1960, and requested a transfer of existing licenses SNM-98, SNM-185 and C-4941 to the Delaware corporation.

By letter dated May 26, 1960, the applicant supplemented his initial requests for transfer of licenses by providing the corporate data required by Section 70.22(a) (1) of 10 CFR 70 for the Delaware corporation.

Review of the corporate data provided indicates that the Delaware corporation meets the requirements of the Act and the regulation of the Commission. In that no other changes other than transfer to a subsidiary are indicated in the applicant's requests, it is felt that the transfers of licenses as requested, may and should be accomplished.

SNM licenses amended to include the term "a Delaware corporation". Source licenses C-5161 issued to the Delaware corporation. License C-4941 canceled.
