

Multiple Addressees - Letter Dated: December 4, 2008

IDENTICAL LETTERS ADDRESSED TO THE TRAINING MANAGERS OF THE REGION III
FACILITIES LISTED ON THE ATTACHED DISTRIBUTION PAGE

The U. S. Nuclear Regulatory Commission (NRC) plans to administer the generic fundamentals examination (GFE) section of the written operator licensing examination on the following dates during calendar year 2009:

March 4, 2009
June 10, 2009
September 9, 2009
December 9, 2009

To register personnel to take the GFE, an authorized representative of your facility must submit a letter to the appropriate regional administrator with a copy addressed as follows:

Ms. Nancy L. Salgado, Chief
Operator Licensing and Human Performance Branch
Mail Stop 0WFN 12D3
U. S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Your letter should identify the individuals who will take the examination, and it should certify that they are enrolled in a facility licensee-sponsored program leading to NRC operator or senior operator licensing and that they will have completed their fundamentals training by the date of the examination. The letter should also identify the personnel who will have access to the examinations before they are administered (e.g., proctors) and the address to which the examinations are to be sent. To allow the NRC to assign docket numbers, your letter should be received by both the NRC regional administrator and the Chief, Operator Licensing and Human Performance Branch, **30 days before each desired examination date** shown above. A sample registration letter is enclosed.

Copies of the administered GFEs and their answer keys will be available for review in the NRC's Public Document Room approximately 45 days following each examination. The NRC's GFE Web page (which is available at <http://www.nrc.gov/reactors/operator-licensing/generic-fundamentals-examinations.html>) will be updated semi-annually, approximately 60 days following the June and December examinations.

If you have any questions, please contact Ms. Janet R. Kweiser at 630-829-9711.

In accordance with 10 CFR 2.390 of the NRC's "Rules of Practice," a copy of this letter and its enclosure will be available electronically for public inspection in the NRC Public Document Room or from the Publicly Available Records System (PARS) component of NRC's Agencywide Documents Access and Management System (ADAMS). ADAMS is accessible from the Electronic Reading Room page of the NRC's public Web site at <http://www.nrc.gov/reading-rm/adams.html>.

Sincerely,

/RA/

Hironori Peterson, Chief
Operations Branch
Operator Licensing and Emergency Preparedness

Hironori Peterson, Chief
Operations Branch
Operator Licensing and Emergency Preparedness

Docket Nos. 50-373; 50-374

Enclosure: As stated

December 4, 2008

Ms. Shawn L. Halbert
Training Department
Monticello Nuclear Generating Plant
Xcel Energy
2100 West River Street
Monticello, MN 55362

Dear Ms. Halbert:

The U. S. Nuclear Regulatory Commission (NRC) plans to administer the generic fundamentals examination (GFE) section of the written operator licensing examination on the following dates during calendar year 2009:

March 4, 2009
June 10, 2009
September 9, 2009
December 9, 2009

To register personnel to take the GFE, an authorized representative of your facility must submit a letter to the appropriate regional administrator with a copy addressed as follows:

Ms. Nancy L. Salgado, Chief
Operator Licensing and Human Performance Branch
Mail Stop 0WFN 12D 3
U. S. Nuclear Regulatory Commission
Washington, DC 20555-0001

Your letter should identify the individuals who will take the examination, and it should certify that they are enrolled in a facility licensee-sponsored program leading to NRC operator or senior operator licensing and that they will have completed their fundamentals training by the date of the examination. The letter should also identify the personnel who will have access to the examinations before they are administered (e.g., proctors) and the address to which the examinations are to be sent. To allow the NRC to assign docket numbers, your letter should be received by both the NRC regional administrator and the Chief, Operator Licensing and Human Performance Branch, **30 days before each desired examination date** shown above. A sample registration letter is enclosed.

Copies of the administered GFEs and their answer keys will be available for review in the NRC's Public Document Room approximately 45 days following each examination. The NRC's GFE Web page (which is available at <http://www.nrc.gov/reactors/operator-licensing/generic-fundamentals-examinations.html>) will be updated semi-annually, approximately 60 days following the June and December examinations.

If you have any questions, please contact Ms. Janet R. Kweiser at 630-829-9711.

S. Halbert
