Dear NRC:

This letter is to request an amendment to our NRC License #45-25582-01.

We wish to remove Bernard Tisdale, Lori Gillespie, Thomas Eichler, and David Randolph from being listed as Authorized Users under Item 12B; and to change the radiation safety officer on the license from Van McComas to JoAnne Walker. Dr. JoAnne Walker is named on license #45-25187-01 as an Authorized User and was named on license #45-00317-02 as the radiation safety officer. We would like the license to reflect these changes to take place on January 19, 2009.

Any questions regarding the above matter should be directed to the current Radiation Safety Officer for this license, Van H. McComas, MS, e-mail McComasVan@cox.net or cell phone 757-876-0734.

Sincerely, *Traci L. Badin, RN*
