Dr. Charles Miller, Director
Office of Federal and State Materials
and Environmental Management Programs
U.S. Nuclear Regulatory Commission
Two White Flint North
11545 Rockville Pike
Rockville, MD 20852

Dear Dr. Miller:

Pursuant to 10 CFR § 31.5(c)(8)(ii), Wal-Mart Stores, Inc. ("Wal-Mart") provides this revised notice that on May 22, 2008, Wal-Mart transferred the two self-luminous exit signs listed below from Wal-Mart Store # 2518 at 700 Marketplace Blvd., Hamilton, NJ 08691, to Isolite Corporation, which took possession of the devices at the Wal-Mart store location.

Manufacturer Name	Model #	Serial #
Safety Light Corporation	Betalux	280974
Unknown	Unknown	Unknown

This notice revises and replaces the transfer notice that was submitted on June 20, 2008, which reported the transfer of one device identified as Serial No. 280974. That notice inadvertently left out a second sign that had no information about its manufacturer, model number, and serial number, and which had been reported in the Supplemental Report of Damaged Tritium Exit Sign dated May 23, 2008.

If you have any questions, please contact me at 479-204-9914.

Sincerely,

Richard Dailey

Radiation Safety Officer
Wal-Mart Stores, Inc.
