**Importance:** High

Dave -- I just got off the phone with Don at NRC and he indicated that he would have to delay getting together with you from 1:00 to somewhere in the 1:30 to 2:30 time frame this afternoon... also, since it is going to be just you and him he said that he would simply call you as opposed to going through the conf call..... He also indicated that he didn't think it will take very long, just some additional information for him to better understand the needs....

Please confirm this will work for you -- copy Don as well...

Thanks!!!  
roger
