Don,
The afternoon of March 20th is best for me.

All,

I want to ensure any issues you may have with the PNNL AR tables are addressed in a timely manner. We need to have our review of PNNL's work completed NLT Thursday COB March 20th. To help ensure any issues you may have are addressed, I want to set a meeting/teleconference with your PNNL counterparts on either the afternoon of March 19th (Wednesday) or March 20th.

To plan for this I need to know which afternoon (or both) you can be available for this teleconference with PNNL.

Thanks in advance,
Don
