Berwick, PA 18603

SUBJECT: MAINTENANCE OF REFERENCE MATERIALS AT THE MCBRIDE MEMORIAL
LIBRARY RELATED TO THE ENVIRONMENTAL REVIEW OF THE PPL BELL
BEND, LLC COMBINED LICENSE APPLICATION AT THE BELL BEND
NUCLEAR POWER PLANT SITE

Dear Mr. Miller

This letter is a follow-up to our telephone conversation on December 16, 2008 concerning the maintenance of documents related to the environmental review for the Bell Bend Nuclear Power Plant (BBNPP) combined license (COL) application by your library. These documents are related to the Nuclear Regulatory Commission (NRC) staff's environmental review and preparation of an environmental impact statement (EIS) for the PPL Bell Bend, LLC application for COL at the BBNPP site.

We appreciate your willingness to assist the public in participating in the COL application process for a new nuclear reactor. As discussed, your support would consist of providing shelf space in your reference section, for documents related to the NRC staff's environmental review of the new reactor license application available to the public. Included with the package are one hard copy and one CD of the BBNPP environmental report.

We will place the McBride Memorial Library on our distribution list for future correspondences and documents related to our environmental review. We request that you place these items on the reference shelf as they are received.

R. Miller
