

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 001	<p>Subject: Primary and support roles for response organizations</p> <p>Basis: NUREG 0654, Criterion C.1.a</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>Texas Emergency Management Plan (TEMP), Annex D, Tab 1: Identify or provide clear references to the key official(s) authorized to request Federal assistance.</p>	Texas
STP 002	<p>Subject: Primary and support roles for response organizations</p> <p>Basis: NUREG 0654, Criterion C.1.b</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide an estimated time of arrival for federal assets that may be requested, either directly or through mutual assistance plans, such as SMRAP, during an emergency.</p>	Texas
STP 003	<p>Subject: Primary and support roles for response organizations</p> <p>Basis: NUREG 0654, Criterion C.1.b</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide capabilities and availability of the primary laboratory in the plan and an updated cross-reference in Tab 5 of Annex D to indicate the location of the information.</p>	Texas

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 006	<p>Subject: Primary and support roles for response organizations</p> <p>Basis: NUREG 0654, Criterion E.7</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide details related to the drafting of information or provide draft messages that would inform the public of protective actions consistent with the applicant's classification scheme. If this information is present in the current plan provided with this application, provide an appropriately updated cross-reference that indicates the location of the information.</p>	Texas
STP 007	<p>Subject: Public Education and Information</p> <p>Basis: NUREG 0654, Criterion G.1</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide information regarding the dissemination of information to the public concerning notification, protective actions, and special needs populations and indicate by what method the information may be disseminated.</p>	Texas
STP 008	<p>Subject: Public Education and Information</p> <p>Basis: NUREG 0654, Criterion G.1</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Include a statement that describes who supplies information to the transient populations and the method for distribution of the information in the plan.</p>	Texas

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 009	<p>Subject: Emergency Facilities and Equipment</p> <p>Basis: NUREG 0654, Criterion H.10</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Specify frequency of operational checks of instrumentation in plans and/or implementing procedures or provide appropriate cross-reference location. Identify reserve equipment that will be used to supplement equipment that is out of calibration.</p>	Texas
STP 010	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.9</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide a statement of the method by which PARs will be provided to local decision makers. Clarify the organization that is responsible for decision making for the ingestion exposure pathway.</p> <p>Describe the process and timeframe for making initial PADs.</p>	<p>Texas</p> <p>Matagorda County</p>

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 013	<p>Subject: Emergency Communications</p> <p>Basis: NUREG 0654, Criterion F.1.d</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide clear descriptions of the provisions for communication with the applicant. Update the plan cross-reference to remove references to Section V of Procedure 13 and include other references which may be applicable.</p> <p>MCBEMP, Annex W: Provide a clear description of the communication system that will be used by the county to communicate with the EOF.</p>	<p>Texas</p> <p>Matagorda County</p>
STP 014	<p>Subject: Emergency Communications</p> <p>Basis: NUREG 0654, Criterion F.1.e</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Indicate in the plan cross-reference the portions of the plan that address primary and back-up methods for alerting and activating emergency personnel.</p>	<p>Texas</p>
STP 015	<p>Subject: Emergency Communications</p> <p>Basis: NUREG 0654, Criterion F.2</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide reference to primary and back-up communication methods with medical support facilities.</p> <p>MCBEMP, Annex W: Provide updates to the county plan with corrected lettering in referenced section of the plan and update the cross-reference accordingly.</p>	<p>Texas</p> <p>Matagorda County</p>

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 016	<p>Subject: Radiological Exposure Control</p> <p>Basis: NUREG 0654, Criterion K.3.a</p> <p>SRP Acceptance Criterion : Requirement H</p> <p>TEMP, Annex D: Provide information in plans or procedures that indicate quantities and storage locations for dosimetry (both permanent record and self-reading).</p> <p>MCBEMP, Annex W: Identify a reference to state guidelines that specify frequencies at which dosimeters will be read. Provide details regarding the quantities of dosimetry that should be maintained and locations where dosimeters will be stored (both permanent record and self-reading).</p>	<p>Texas</p> <p>Matagorda County</p>
STP 017	<p>Subject: Radiological Exposure Control</p> <p>Basis: NUREG 0654, Criterion K.3.b</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide specific requirements on specific time intervals in which dosimeters must be read.</p> <p>MCBEMP, Annex W: Indicate the location of the specific state guidance that the county will use for reading and recording dosimeters</p>	<p>Texas</p> <p>Matagorda County</p>
STP 020	<p>Subject: Medical and Public Health Support</p> <p>Basis: NUREG 0654, Criterion L.4</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide references to the plans or procedures which describe the provisions for transporting radiologically contaminated injured individuals.</p>	<p>Texas</p>

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 022	<p>Subject: Exercises and Drills</p> <p>Basis: NUREG 0654, Criteria N.3.c, N.3.d, N.3.e, N.3.f</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide a statement in the plan that indicates that simulated events, exercise timelines, and narrative summaries will be addressed in the scenario developed for exercises and drills. In addition, provide a statement that advanced materials will be provided to official observers.</p>	Texas
STP 024	<p>Subject: Public Education and Information</p> <p>Basis: NUREG 0654, Criterion G.4.c</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide an update to the cross-reference to include the section of the plan that indicates what organization is responsible for answering public inquiries and the method for contacting that organization.</p>	Texas
STP 025	<p>Subject: Public Education and Information</p> <p>Basis: NUREG 0654, Criterion G.5</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide information describing the State's participation in providing training to the media on emergency plans, radiation, and points of contact for emergency public information.</p>	Texas

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 027	<p>Subject: Accident Assessment</p> <p>Basis: NUREG 0654, Criterion I.11</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide information that clearly states if the state will take peak plume measurements or will rely on the applicant or federal resources to get these measurements. Any written agreements that are in place with regard to taking these measurements should also be provided.</p>	Texas
STP 028	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.a</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide maps that identify locations of reception centers and shelters and specify the frequency at which all maps included in the plan are to be updated.</p>	Matagorda County
STP 029	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.b</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide a map from current census data that identifies special populations such as day care facilities and schools.</p> <p>MCBEMP, Annex W: Update cross reference to include references to maps that identify special populations.</p>	Texas Matagorda County

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 030	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.b</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: This RAI is identical to those provided for standards E.6 and E.7. Provide information that establishes administrative and physical means and the time required to notify and provide prompt instruction to the public within the plume exposure pathway EPZ. Also, Provide details related to the drafting of information or provide draft messages that would inform the public of protective actions consistent with the applicant's classification scheme. If this information is present in the current plan provided with this application, provide an appropriately updated cross-reference that indicates the location of the information.</p>	Texas
STP 031	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.d</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide information or appropriate cross-reference in the county plan describing protective measures such as the method for alerting, providing emergency information, and transporting mobility dependent or impaired individuals from schools, hospitals, and prisons.</p>	Matagorda County
STP 033	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.j</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide references to the ETE study, which includes potential need for alternate routs, in the state plan.</p> <p>MCBEMP, Annex W: Provide information that describes the equipment and resources that will be utilized to set up traffic control points.</p>	Texas Matagorda County

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 034	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.11</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Identify the individual, by title or position that is authorized to make ingestion phase PADs. Provide information that describes how agribusiness will be notified of PADs. Include appropriate references in the cross-reference that describe the method for identifying areas of concern where sampling and monitoring should occur.</p>	Texas
STP 035	<p>Subject: Radiological Exposure Control</p> <p>Basis: NUREG 0654, Criterion K.4</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide information or a reference to the information that describes the risk to emergency workers who volunteer to exceed dose limits as well as limits for special conditions such as a pregnant emergency worker.</p> <p>MCBEMP, Annex W: Provide information describing the actions to be taken when an emergency worker exceeds exposure limits as well as information regarding the risk for those emergency workers who volunteer to receive higher exposures.</p>	Texas Matagorda County
STP 036	<p>Subject: Radiological Exposure Control</p> <p>Basis: NUREG 0654, Criterion K.5.a</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide information that describes the procedure for monitoring of personnel or equipment, controlling the spread of contamination, and identify instruments that are expected to be used for this task.</p>	Matagorda County

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 037	<p>Subject: Radiological Exposure Control</p> <p>Basis: NUREG 0654, Criterion K.5.b</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide information that describes the procedure for monitoring and decontamination of persons or equipment and documentation of contamination readings on people or equipment. Also, provide the criteria used to determine when a person should be sent for medical treatment.</p>	Matagorda County
STP 038	<p>Subject: Exercises and Drills</p> <p>Basis: NUREG 0654, Criteria N.2.d and N.2.e</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide revised plans that include radiological monitoring drills as required by Planning Standards N.2.d and N.2.e</p>	Texas
STP 039	<p>Subject: Exercises and Drills</p> <p>Basis: NUREG 0654, Criteria N.2.d and N.2.e</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide a statement in the plan that indicates that objectives will be addressed in the scenario developed for exercises and drills.</p>	Texas
STP 040	<p>Subject: Radiological Emergency Response Training</p> <p>Basis: NUREG 0654, Criterion O.4.c</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide information in the plan that will address the scope, nature, and frequency of training for monitoring teams and accident assessment personnel.</p>	Texas

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 042	<p>Subject: Planning</p> <p>Basis: NUREG 0654, Criterion P.5</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide a list of organizations or individuals to whom the plan and procedures will be distributed and include a statement that indicates that revised pages will be dated and marked to show where changes are made.</p>	Texas
STP 043	<p>Subject: Planning</p> <p>Basis: NUREG 0654, Criterion P.6</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide a list of supporting plans and their source.</p> <p>MCBEMP, Annex W: Provide a list of supporting plans and their source.</p>	Texas Matagorda County
STP 044	<p>Subject: Planning</p> <p>Basis: NUREG 0654, Criterion P.7</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>TEMP, Annex D: Provide an updated index of procedures that indicates the section of the plan to be implemented by each procedure and refer to the index in the plan's NUREG-0654 cross-reference.</p>	Texas
STP 045	<p>Subject: Planning</p> <p>Basis: NUREG 0654, Criterion P.1</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide information on the training program and requirements for emergency planners that are responsible for the development, maintenance, and distribution of emergency plans.</p>	Matagorda County

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 046	Subject: Protective Response Basis: NUREG 0654, Criterion J.10.f SRP Acceptance Criterion: Requirement H MCBEMP, Annex W: Provide details in the county plans that describe the decision making process for administering radioprotective drugs during rapidly developing emergencies.	Matagorda County
STP 047	Subject: Protective Response Basis: NUREG 0654, Criterion J.10.k SRP Acceptance Criterion: Requirement H MCBEMP, Annex W: Provide information that describes the resources available (manpower and equipment) for dealing with traffic impediments and rerouting traffic.	Matagorda County
STP 048	Subject: Emergency Facilities and Equipment Basis: NUREG 0654, Criterion H.4 SRP Acceptance Criterion: Requirement H MCBEMP, Annex W: Provide an updated cross-reference to include the portions of the county plan that fully address this planning standard.	Matagorda County
STP 049	Subject: Emergency Facilities and Equipment Basis: NUREG 0654, Criterion H.11 SRP Acceptance Criterion: Requirement H MCBEMP, Annex W: Provide references to specific procedures or sections of procedures that address this planning standard.	Matagorda County

FEMA Region VI
Radiological Emergency Preparedness (REP).
South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 050	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.k</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide information that describes the resources available (manpower and equipment) for dealing with traffic impediments and rerouting traffic.</p>	Matagorda County
STP 051	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.10.1</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide estimated evacuation times for the movement of school children and other special populations.</p>	Matagorda County
STP 052	<p>Subject: Protective Response</p> <p>Basis: NUREG 0654, Criterion J.12</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Provide a procedure or a description in the plan of the method for monitoring, contamination control, and layout of the reception center.</p>	Matagorda County
STP 053	<p>Subject: Planning</p> <p>Basis: NUREG 0654, Criterion P.10</p> <p>SRP Acceptance Criterion: Requirement H</p> <p>MCBEMP, Annex W: Identify the individual, by title, which is responsible for performing the review and update of the county procedures that include the call lists.</p>	Matagorda County

FEMA Region VI
 Radiological Emergency Preparedness (REP).
 South Texas Project (REP) Combined License Review

RAI Number	RAI Description	State/ County
STP 055	Subject: Exercises and Drills Basis: NUREG 0654, Criterion N.2.c SRP Acceptance Criterion: Requirement H MCBEMP, Annex W: Provide information that addresses the items outlined in Guidance Memorandum (GM) MS-1, Medical Services.	Matagorda County
