Dear Dr. Hasselquist:

It has come to our attention that Amendment No. 69 to your NRC Material License No. 21-00243-06, issued on December 2, 2008, contained errors, in that Condition Nos. 10.B. and 10.D. were not updated to reflect the revised ordering of line items after certain materials were deleted from your license.

Enclosed is a corrected copy showing the revised ordering of line items, especially for material in Subitem No. 6. through 9. I. Please note that the changes made to your license are printed in **bold** font.

We apologize for any inconvenience these errors may have caused you.

If you have any questions concerning this amendment please contact me at either (630) 829-9841 or (800) 522-3025.
